MAROELANA WALK

Dear Fellow Resident,

We would like to thank you for your interest in this initiative, which is aimed at making our neighbourhood a safer place for all who live here. It is an unfortunate reality of our time that criminal elements have become quite active in our neighbourhood.

It is becoming evident around Pretoria-east that residents of different suburbs are taking safety into their own hand. Recently Waterkloof, various parts of Lynnwood and Groenkloof have implemented a similar system. Various other suburbs have submitted or are in the process of submitting their applications to council. It is therefore prudent in our opinion to follow suit.

The welcome pack you have received contains useful information on our street closure initiative:

- What it involves,
- how to join the initiative,
- the proposed area for closure and the process to be followed.

Important: Please take a few minutes to read through the welcome pack, and raise any questions you may have with your designated street captain, or simply by mailing us at closure@maroelana.co.za

Once you are comfortable, please sign the agreement, and return it to your street captain, or simply mail it to us.

Our goal is to have adequate signed-up support for the street closure initiative (minimum 67% of residents), to be able to apply to the municipality by the end of 2022.

A final thought: This is a community project, driven by volunteers in the community, for the benefit of the community at large. Your support and involvement will be most welcome.
